Work History

Girl Scouts of Central & Southern NJ. Cherry Hill, NJ. 2015 – 2020 | **Program Specialist, STEM**

Responsible for budgeting, marketing, and overseeing registrations for Science and Technology programs for girls in grades K-12. Oversee grants and coordinate programs with STEM vendors and instructors. Created trainings and resources for 2000 adult volunteers. Accomplishments include creation of multiple large-scale STEM events, including an annual conference serving over 400 girls and adults.

Automotive Resources International. Mt. Laurel, NJ. 2013 – 2015 | **Lead Development Specialist**

Identify potential clients within sales target markets, including utilities, construction, specialty truck fleets, and companies with large motor pools or sales fleets. Report on pipeline progress across 20+ sales regions weekly.

South Jersey Writers' Group. Audubon, NJ. 2009 – 2016 | **President** (volunteer)

Grew a small, casual writing group to a non-profit, professional development organization of over 100 dues-paying members. Wrote and filed Articles of Incorporation; recruited startup Board of Directors; designed and implemented communication strategies to members and potential members, including through email marketing, Google/Facebook ads, and social media.

Corporate Call Center. Blue Bell, PA. 2010 – 2012 | **Team Lead/Underwriting Liaison**

Responsible for supervising a team of 20 agents in sales and customer service for Medicare supplement and prescription plans. Responsible for supporting sales training manager with on-the-spot coaching, supplemental training, and maintaining Knowledge Base for licensed agents. Team maintained 85%+ inbound sales success rate over two seasons.

Education

University of Pennsylvania College of Liberal and Professional Studies (LPS), Philadelphia PA. Full stack developer certification (January-April 2020)

Towson University, Towson, MD. BA Communications; Minor in German
